SPECIAL EVENTS

HOMECOMING 1985

The 1985 Homecoming festivities began on Monday, September 23, 1985 with "Dress up" day at school and the crowning of Queen Courtney Hoelz and King Shawn Buesgens that evening. Throughout the rest of the week students participated in various themes for each day. Tuesday was "Role Reversal" day, it was difficult to distinguish the real guys from the real girls. Everyone came to school with faded blue jeans, whitesocks, big shirts and bobby socks for "Back to the Future" day on Wednesday. Thursday was "Tourist and Hawaiiin" day, it started out with each student receiving Hawaiiin leis from the Homecoming Royalty. "Red and White" day was the traditional theme for Friday. During the Homecoming week students supported all of the sporting events. The tennis team had two home meets against Shattuck and LeSueur, while the volleyball team had two away meets at LeSueur and LeCenter. On Friday there was a pepfest up town to get the football players fired up for their game against Jordan that night. The weeks festivities were ended with the Homecoming Dance that followed Friday nights football game.

A NIGHT TO

On May 3, 1986 one hundred eighty-five people attended Prom at the Riverview Schalet with the theme for the evening being "A Night To Remember". After the Grand March and meal the program began with Sally Halbmaier and Andy Fogarty singing "Say You, Say Me". Foreign Exchange student, Richard Allen, then spoke on his stay in Belle Plaine, and the juniors gave a tribute to the seniors with a slide presentation. "Rych Kidd" provided the music for the dance and at the end of the evening prizes were awarded. Tim Hardwick won \$200, Jeanne Nagel won \$100, and Ann Marie Koenig won \$50. The junior class and their advisor, Mrs. Carol Hannon-Orr, did a super job on the decorations and planning, making it truly "A Night to Remember".

Goodbye James . . .

We had to say "hello"
 before we could say "goodbye".
 We first had to laugh
 in order to cry.

You were the one
 who always found a way.
 You said "hello" to life
 each and every day.

You always laughed
 and never had time to cry.
 Now we keep asking
 "Why did he have to die"?

You were part of us
 and then you were taken away.
 Now we'll be remembering you
 for forever and a day.

LOTS OF EFFORT . . . LITTLE SUCCESS

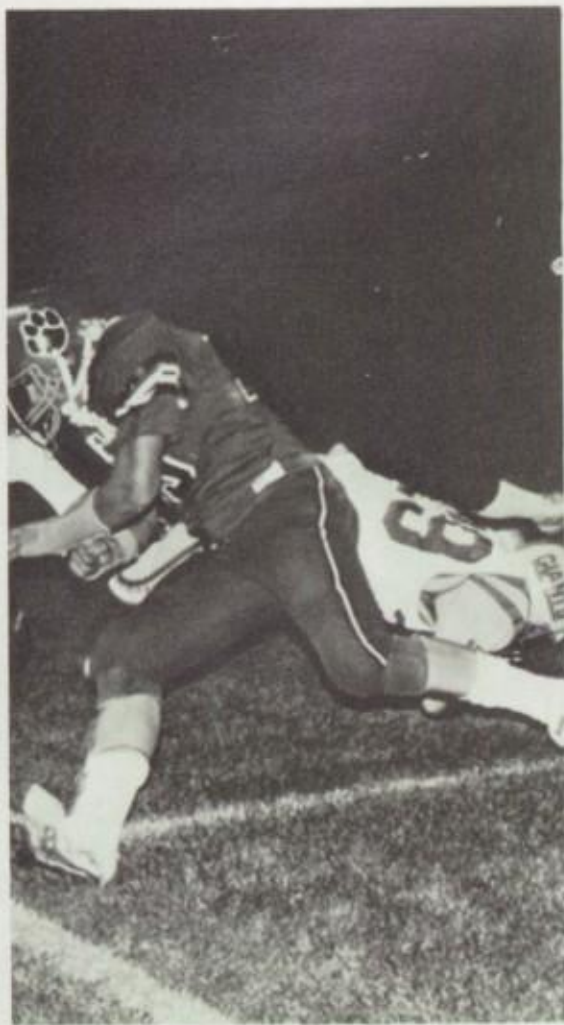

The Tiger football team started practice with high hopes but they dwindled as the season went from bad to worse. The Tigers opened the season with a 14-0 loss to Janesville. Things looked better after a 13-0 win over Norwood. After losing to Mankato 14-0 the Tigers put together a good game against Lesueur but lost 21-12. In the homecoming game Belle Plaine scored first but Jordan prevailed. 21-7. In the final 3 games the Tigers couldn't manage a point as they ended the season with a 1-7 mark. Next years defense looks good with 7 returning starters. The offense will have to improve if the Tigers want to do anything in the future.

GIRLS TENNIS KEPT THE SPIRIT

The 1985 Tennis Tigers had a successful season with a record of ten wins and four losses. The only two teams to defeat the tigers were St. Peter and LeSueur who each had two victories. The team's four seniors were Simone Bull, Molly Daly, Jill Fogarty, and Courtney Hoelz. Sara Miller and Courtney Hoelz were awarded All-Conference Honorable Mention. The team played well both physically and mentally as they had as much spirit for the last match as they did for the first match.

Sara gives us the look of determination that got her the third place title in Districts.

GIRLS CAPTURE 4TH AT STATE!

It was a season to remember. The accomplishments were many and the memories are golden. The 1985 volleyball season began with 6 hours a day of practice and ended with playing in the state tournament at the Met Center. The team finished with a 27-5 record. The Tigers won the Mn. River conference, region championship and finished 4th in the state tournament. To advance to state the tigers had to face the #1 team in the state and defending state champs: Concordia Academy. After a thrilling victory the Tigers went face to face with Gaylord who was ranked 4th in the state. The Tigers showed stamina, determination and a will not to give in. With the support of the huge fan section the Tigers won their first STATE trip. The team, their parents, school and community were wild with excitement. It was a week full of great memories. The outcome of the season was due to hard work, confidence, pride dedication, determination and a desire to fulfill their goals and dreams. Ann Klehr, Laurie Wolpern and Julie Halquist were selected all conference. Mitzi Westlund received honorable mention, Laurie Wolpern was voted to the all state team. Coach Briton Hawkins was voted Mn. Coach of the year.

The year started out shaky, but soon the tigers were on track. The tigers hosted a tournament and came away with a 1st place win by defeating Watertown 67-66 and LeCenter 53-24.

The girls started out districts against the Saints of Saint Peter. After beating the Saints the Tigers advanced to Faribault B.A.. The Tigers lost a close fought battle. They came home with 3rd place beating Montgomery 55-46.

The Tigers B-Squad team started out the year with high hopes. They were very optimistic about the season. They started out strong and confident about their play, but when the young tigers seemed to be on a roll the momentum would change for the worst. The tigers record was 8 wins 9 losses overall. All in all the tigers showed determination and will power. The depth on the team was a good factor and also key playing time for a few freshmen helped capture many of the wins.

TIGERS SHOOT FOR THE STARS

The Belle Plaine boys basketball team had an up and down year but finished strong to take 4th in district play. The Tigers were playing .500 ball when they went to play in the Gaylord holiday tourney. B.P. drew a tough Gaylord team and lost (39-54). The Tigers bounced back to take third by beating Nicollet (49-37). On parents night the Tigers trailed Jordan by 5 points with 30 seconds to play but a last second shot fell and the Tigers won by a point. In District play after beating the MN School for the Deaf the Tigers played the 2nd ranked B.A. Cardinals. When the smoke cleared and after 2 overtimes B.P. came away with a (49-44) victory. In the semis the Tigers lost to Morristown and the Tigers took 4th after losing to Monty. Next year looks very good for the Tigers with 2 returning starters and 4 others who saw extensive playing time returning as Seniors next year.

The Belle Plaine Tigers Wrestling team had a very productive season, with a conference record of 4-3 and an overall season record of 9-5. The tiger wrestlers brought home second place trophies from Brownston and Kenyon tournaments, and fourth place at Norwood. Sub-Regions were held at Winsted, the team captured second place, losing a heartbreaker to Norwood 22-30. Nine of the tigers advanced to Regions, which were held at Norwood. Andy Fogarty and Jim Buesgens wrestled their way to a first place medal and then onto state. Andy then won his first match, lost his second and successfully wrestled his way back to third place. The highest place a wrestler ever finished in B.P. history. All conference selection went to Andy and Jim, with Maury O'Brien receiving honorable mention.

GIRLS TRACK TEAM TAKES SECOND AT DISTRICTS

The Girls Track Team capped off a good track season by finishing in the runner-up spot in the District 13 track meet at LeCenter on May 22nd. Leading the team to the second spot was Laurie Wolpern with a first in the 400 meter dash, second in the High Jump and 200 meter dash, and a 4th in the Long Jump. Missy Jacobs was the District champion in the Long Jump and had a 5th in the High Jump as well as running on the 800 meter relay team. Other girls that will enter regional competition were Sally Halbmaier in the 100 meter dash and Ann Siegle in the 300 meter Hurdles.

Leading scorers for the season were Laurie Wolpern with 130½ points, Brenda Bessel with 69, Missy Jacobs with 49, Jenny Klehr with 43½, and Ann Siegle with 41 points.

BOYS TRACK

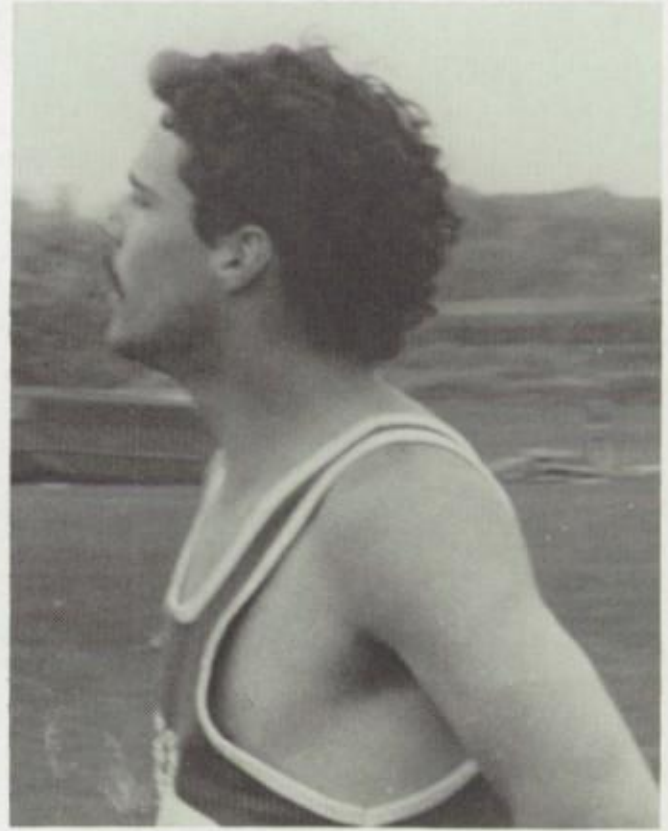

The boys Track Team finished the 1986 season with six first place finishes, five second place finishes, including the conference and District meets. All conference this year went to Scott Hennen in the shot put, Chris Jacobs in the 300 meter hurdles and the 4x400 relay of Chris Fogerty, Chris Jacobs, George Schoernborn, and Brian Shaunessy. The years tri-captains were Chris Fogerty, George Schoernborn, and Chris Jacobs. Most valuable went to Brian Shaunessy for his efforts in the 400, 800, and 4x400 relay. The top point man for the year went to Chris Jacobs with 150 points.

The 1986 Baseball team was very young and inexperienced this year. With only two seniors on the squad, the tigers youth showed as they lost many games with poor fielding and pitching.

The team finished with a 7-12 record against some very good competition. They finished 5th in the conference. The highlight of the year was the fast start they got of to as they won seven of their first twelve games. From this point on however, the team struggled as they lost seven in a row, including a 3-1 defeat in District play to Fairbault Shattuck.

Leading hitter for the Tigers was Jeff Bruder with a .442 average followed by Jim Buesgens with .388.

Pitching was the Tigers downfall as they only had one pitcher who showed any consistency at all. Jeff Bruder won four games while losing three. His E.R.A. was 2.75.

Joe Edberg who was the only starting senior on the squad received ALL CONFERENCE HONORS with Jeff Bruder HONORABLE MENTION.

STUDENTS RECEIVE HONORS

Throughout the 1985-86 school year, many of the B.P.H.S. students received honors, Academically, musically, and in extra curricular sporting activities. The highlight for many of the students, faculty, and community members was following the Volleyball team to the State Tournament, and cheering them on to a fourth place finish, and the Sportsmanship Trophy.

Belle Plaine students roared with excitement as they watched Andy Fogarty and Jim Buesgens roll through District and Region Competition and advance to State Tournament. Andy brought home a third place medal, the highest place of any wrestler in B.P. History. Andy and Jim will both be back next year to help the team out.

PICTURES MAKE MEMORIES . . . ITS CALLED A YEARBOOK

The 1985 Yearbook was under a new advisor Miss. Schmidt. A Yearbook is full of a year's excitement, joys, and disappointments. A book filled with memories. It was difficult but members of the staff will tell you it was well worth the effort, when everything was finished in June. This year's editor was Jill Fogarty and the other two seniors were Karin Tillquist and Lisa Nelson. This yearbook will be a legend that will never be forgotten because it holds many memories of the past.

STAFF PUBLISHES EIGHT TIGER TOPICS.

The Tiger Topic staff and their advisor Mrs. Kruschke put out eight issues of the school newspaper plus an extra issue called April Fool's during 1985-86. That is sixty-three and a half reams of paper or 31,750 sheets! The first semester staff was small but they got the news out to the student body.

IMPROVEMENTS IN THE COUNCIL

The Senior High Student Council made a few changes this year. They began to use parliamentary procedure during their meetings, a new constitution was written for the Student Council so that it was up to date with the school, and during the traditional Snow Week a king and queen were named this year.

The Student Council started the year by distributing the Birthday Calandar to the community. The next activity that kept them busy was Snow Week which took much work and organization. In the Spring the Council sold daffodils for the American Cancer Society and then ended the year's activities by selling the Community Birthday Calandar.

COUNCIL KEEPS ACTIVE

The Jr. High Student Council was very active this year. Members started the year by providing an orientation for new students. Forty-six people nominated themselves for eighteen elected positions. In the fall the Council purchased a case for display in the Jr. High, held a fund raiser for the Schmeckpepper family, and decorated the halls for Halloween. For Christmas the Council decorated the doors, rented VCRs and tapes for viewing, collected canned goods for needy families, raised money to buy toys for needy families, and they provided the movie *Cipher in the Snow* for the Jr. High students to view. Council members provided a babysitting service for Parent-teacher conferences once again this year. They sold daffodils for the American Cancer Society and in the spring they donated some funds for the ninth grade Valleyfair trip. Throughout the year the Council had five dances, worked in three concessions and sold doughnuts during the noon hour.

FHAERS PLACE SECOND AT STATE

This year's FHAers were very busy doing many different activities throughout the year. They put on the Valentine's day dance as one of their activities. The FHAers also did Action Activity Events and many people placed at Regional competition. Third place winners taking a bronze were Becky Haefner, Shari Jorissen, and Erin Fahey. Second place winners taking silver medals were Kris Karg, Karla Fabel, and Megan Daly. First place winners taking gold medals and automatically advancing to state were Jody Houle, Melissa Wolf, and Melanie Wolf. These three also placed second at state bringing home silver medals. The two delegates chosen were Megan Daly and Karla Fabel. Mrs. Billeadeau was the group's advisor. The most outstanding FHAer award went to Jody Houle. Each member received a certificate and if they had perfect attendance they also received a pin. IT WAS A GREAT YEAR!!!!!!!

The girls scrapebook also won third place. The President this year was Tami Kankelfritz, the Vice President was Jeanne Rueling. The treasurer was Kari Wagner and the secretary was Ann Klehr.

DON'T FLOOD THE DARKROOM!!

The yearbook staff requires many deadlines of the photographers, and they always seem able to meet them. When you see one of the photographers rushing around the school snapping pictures of strange and creative things, or hurrying off to McDonalds for scenic pictures, its not for pleasure, it is deadlines for the yearbook. Did you ever wonder what really happens in the dark room? Ask Mrs. O'Malley.

BYE BYE BIRDIE A SMASH HIT!

This year's musical, "Bye Bye Birdie", was the story of rock star, Conrad Birdie, and his star struck fan, Kim Macavee. After being drafted into the Army, Birdie's managers, Rosie and Albert, arranged a final publicity stunt, one last kiss, to Kim Macavee to bid her and all of the female fans farewell.

The rest of this humorous musical revolved around the crazy circumstances and turmoil created by the infamous Conrad Birdie's presence in the usually peaceful town of Sweet Apple, Ohio.

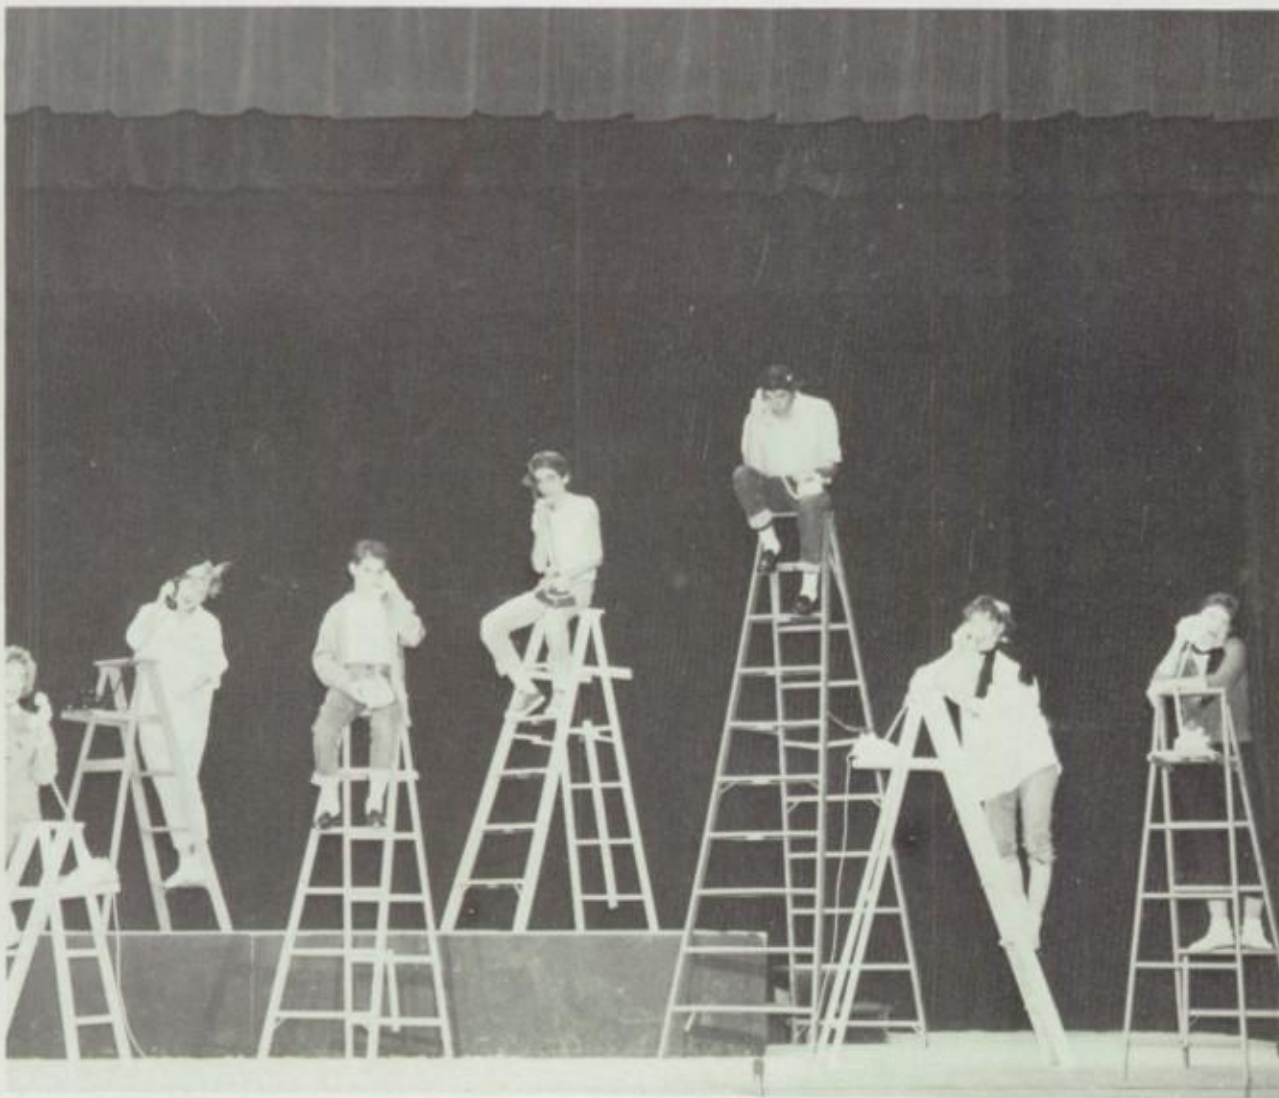

The cast and crew had a super time rehearsing for the performances on November 8th and 10th. Many long hours were spent blocking scenes, memorizing lines, practicing songs and trying to master the dance steps. It took a lot of effort from everyone, cast, crew, pit and directors, to get the show off the ground, but the many hours of rehearsal and hard work paid off in the final week when things pulled together and the opening performance was a hit.

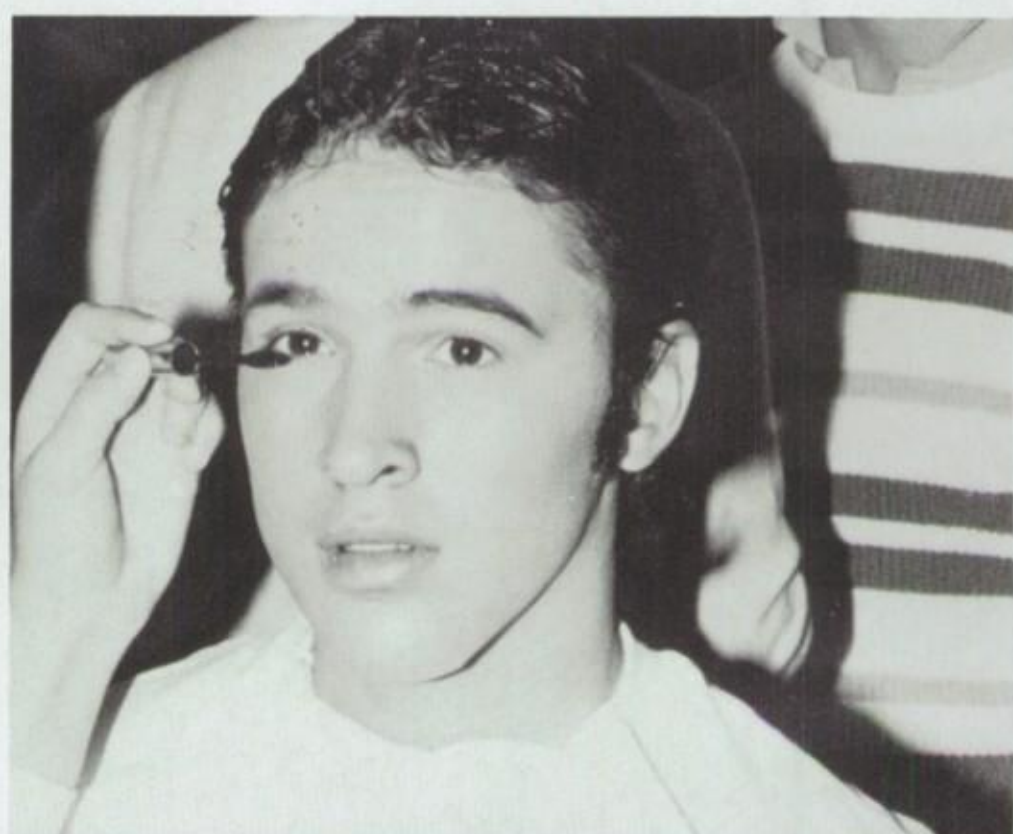

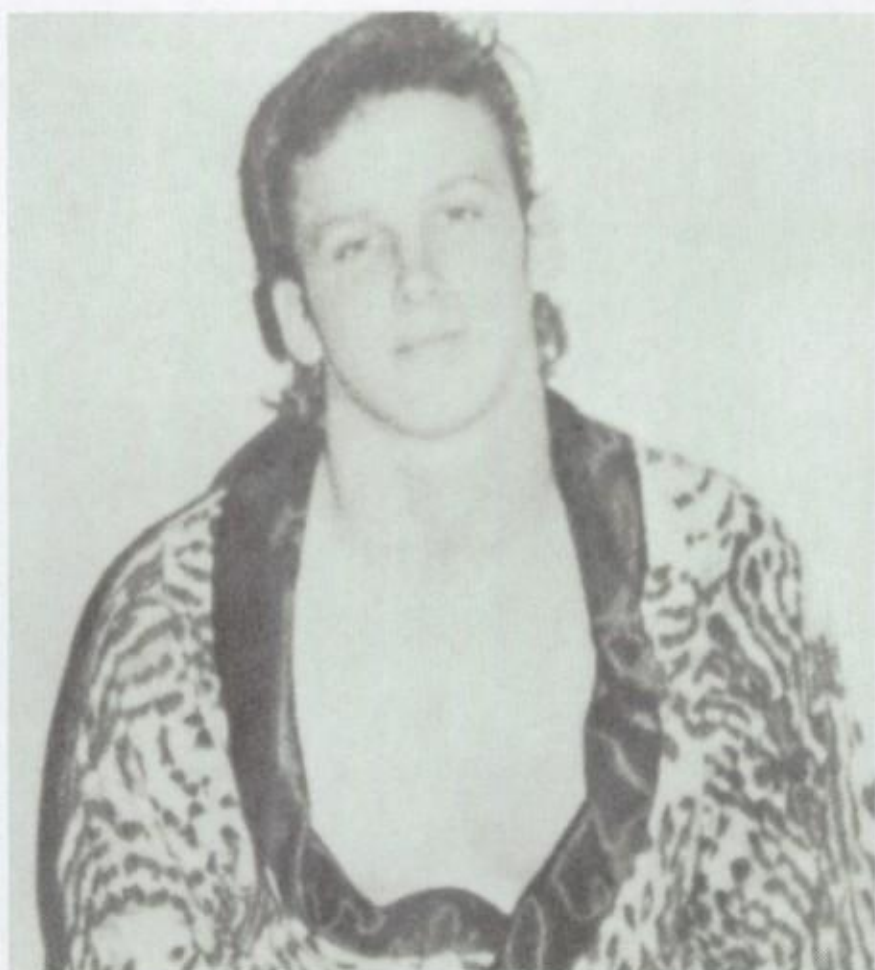

The rehearsals and performances of "Bye Bye Birdie" were fun for everyone and will bring back many memories. We hope that these pictures will capture a few of the many good times had by all.

The one act play, "The Bald Soprano", won first place at the district 13 contest held at St. Peter High School, on January 28. Jerrad Fenske and Sheral Kahle were selected as best actor and best actress for their performance in the drama. The cast and crew then traveled to Waterville for the Region 4A competition, where they captured second place.

"The Bald Soprano" proved to be a very interesting and challenging play to perform. The cast and crew did a tremendous job in making the play worthwhile and imaginative.

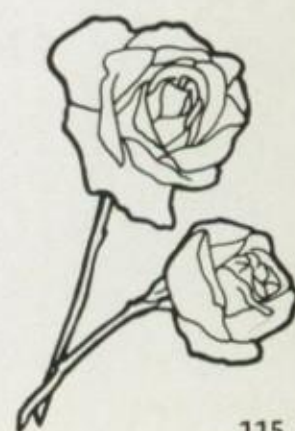

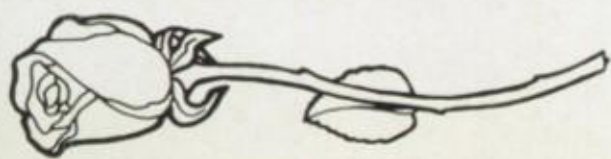

SPEECH

The 1985-86 season got underway on February eighth in Shakopee. The team consisted of 35 junior and senior high students. Throughout the season four team members earned outstanding speaker awards, Todd Hardwick, Mike Gaffney, Jerrad Fense, and Sheral Kahle. The highlight of the season came when Todd received First Alternate to State at Region competition. The team did very well this season and is only losing five members, so the team will be back in almost full force next season.

CHOIR UNDERGOES CHANGES

The Sr. High Choir was busy this year with many activities. They sang for Homecoming, and commencements. In the fall of the year, in December and again in Spring, the choir had concerts.

They had eighteen entries in the Solo and Ensemble Contest on April 1, with twelve receiving superior ratings. The choir also sang at the POPS Concert in May.

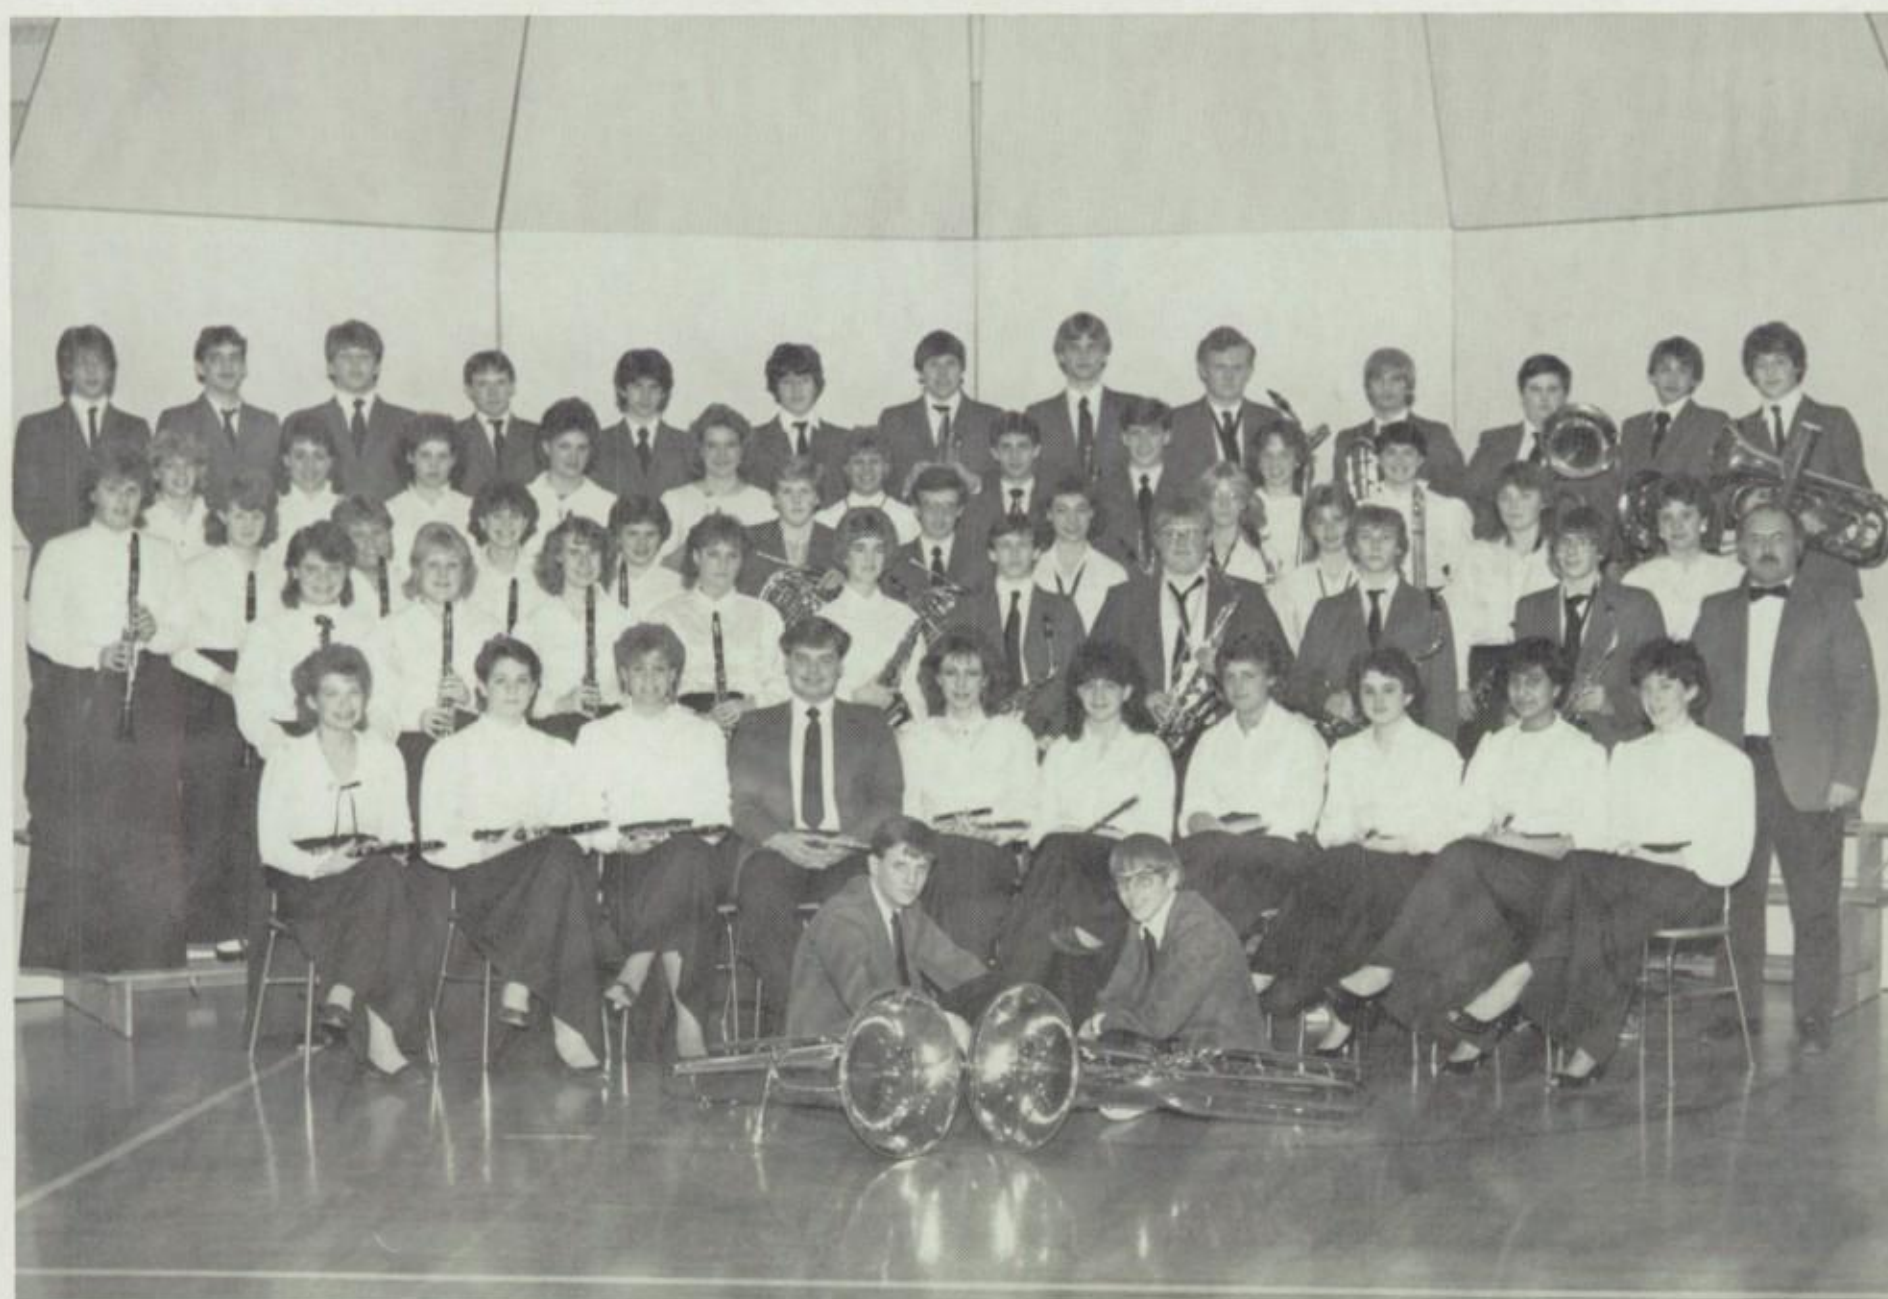

The choir received a special gift this year, in the form of a new instructor. Mrs. Kopperaud took over the challenge of directing the choir, which was a big change for both Mrs. Kopperaud and the choir, but judging from the overall performance of the choir this year, we feel she did an outstanding job.

The Senior High Band had several concerts throughout the year which they performed for the public. They played at every home football game and many girls and boys basketball games and wrestling meets. The band had seventeen entries in the District Solo-Ensemble Contest, fifteen returned home with Superior ratings. In April the band traveled to Gustavus and performed in a concert with the Gustavus Band. They were also a great support to the Volleyball team throughout the season.

STAGEBAND

The Stage Band had a very busy year, with concerts, trips and guest soloists. The Stage Band played for three weekends at Emma Krumbees in October for the crowds there. The band went to a Jazz Festival in Sioux Falls, South Dakota, at Augustana College. The Stage Band worked hard to accomplish all they attempted to do and did a super job throughout the year.

Belle Plaine Takes Fourth At State Volleyball Tournament

It was a great weekend of volleyball for the Tiger team and the Belle Plaine community. Only one thing could have topped it and that would have been to win the title.

The weekend is now over, along with the 1985 volleyball season and what remains, states coach Brinton Hawkins, is a beautiful memory of a beautiful season.

For the second straight year, Laurie Wolpern was named Belle Plaine Coach of the Year.

In the first match at the state tournament at the Met Center in Bloomington the Tigers went against a team they had lost to earlier in the season, St. Michaels. But the Tigers were not to be denied Friday morning winning 15-4 and 15-11.

The Tigers had high hopes of winning at least one more to make it to the finals but a very solid, well-balanced team from up north, Greenway Coloraine, stopped their efforts Friday evening.

coached. They didn't make mistakes. Greenway had a very strong offense with a devastating quick middle attack and a defense that prevented Belle Plaine from scoring.

Greenway defeated Belle Plaine 15-11 and went on to win the 1985 state championship.

For the third place trophy, Belle Plaine went against Alden-Conger. Belle Plaine had crucial service.

Merlyn Buesgens, is also a junior and the Region Four champion. At 119 pounds, Jim will be competing for the second time in the state contest. He has a record of 25 wins and two losses and pinned his opponent.

Kevin Slack is assistant wrestling coach.

Fox said the wrestling team enjoyed good fan support and hopes it continues at the state level.

Fox said Fogarty would be wrestling on Saturday, and if they meet, it would be at about 6:30 p.m.

The girls track team is starting to come around now that the weather is showing some signs of cooperation with spring sports. On Tuesday, the team won a Triangular at Le Center as they scored 66 points to Le Center's 50 and Cleveland's 48.

First place winners for the Tigers were Kris Schmidt in the discus, Brenda Bessel in the 200 Meter Dash and Laurie Wolpern in the High Jump. Once again the depth of the squad enabled the Tigers to win as 20 different girls scored points in the meet. Brenda...
